H. E. Ambassador of the Islamic Republic of Pakistan Mr. June.

It is with sorrow and deep sadness that we in Danmission learned about the heinous terrorist attack in Lahore Sunday evening.

Making children, women and families enjoying free time and celebrating the Easter holiday, a goal for terrorism, is so very sad and chilling.

We are much aware that all responsible political parties, in and without Pakistan, along with its leaders, the President and Prime Minister of Pakistan, have all taken a strong stand against the murdering of totally innocent people.

Mr. Ambassador Junejo, so do we all in Danmission, along with our partners in Pakistan. We pray for justice and human right for all, as we offer our prayers and assistance to the bereaved families.

Please accept our heartfelt condolences to Pakistan and all its people in the midst of tragedy.

On behalf of Danmission.

Mr. Lorens Hedelund, former Danmission Pakistan Country Coordinator
Mr. Karsten Thomsen, present Danmission Pakistan Country Coordinator
Mr. Jorgen Skov Sorensen, General Secretary
